Villa 47 on Monte Solana captures the essence of easy Mediterranean living - where sun-drenched days roll into laid-back evenings. With 200 m² of beautifully designed space, it's made for entertaining - think open-flow living, smooth transitions from inside to out, and a pool that begs for long, lazy afternoons. The views? Sweeping green mountains up close that stretch into the distance, filling every corner with calm. It's the kind of place where the pace slows, the air feels softer and life just flows effortlessly.
