312m²

1,067m²

This stylish new build villa is being constructed on an elevated plot of approximately 1,067 m² in a peaceful residential area of Moraira. With a built-up area of around 312 m², the property combines modern architecture, spacious living areas, and a strong connection to the Mediterranean outdoor lifestyle.

The villa features four bedrooms and four bathrooms, spread over multiple levels for optimal privacy and comfort. The bright open living space with a modern kitchen seamlessly connects to the expansive terraces and the swimming pool, allowing for effortless integration of indoor and outdoor living.
