Set in the peaceful Sierra Verde urbanisation of Callosa d'en Sarrià, this detached villa enjoys a generous 1,041 m² plot, beautiful views across the surrounding mountains and towards the sea, and a private swimming pool surrounded by spacious terraces. The property has been lovingly lived in by the current owner and her husband for almost three decades. While some of the interiors retain the style and finishes of their era, the villa is fully habitable and offers an excellent opportunity for a new owner to gradually modernise and personalise the home. With approximately 149 m² of built space, four bedrooms, four bathrooms, a private pool, several terraces and a completely independent guest. (Ask for More Details)
