In an innovative residential environment, these exclusive townhouses are located in a well-known area just minutes away from the beautiful beaches and varied entertainment options of the region. The houses offer areas up to 330 m<sup>2</sup>, with options of three to four bedrooms, thus ensuring ample spaces and privacy. The interior design is characterised by an open-plan living room that flows into an elegant dining room and a modern open kitchen, creating an ideal hub for family gatherings and unforgettable moments.

This property guarantees year-round comfort, thanks to its ventilation system with pre-installation for air conditioning. Furthermore, the advanced home automation technology offers full control over
