Explore an exclusive residential complex with only 20 properties, located 250 meters from the beach. This exceptional project is designed to combine comfort, sustainability, and luxury in a privileged setting, offering spectacular views of the Mediterranean Sea and outdoor spaces designed for maximum enjoyment.

The homes are distinguished by their avant-garde design and high-quality finishes, optimizing natural light and spaciousness. Ground floor apartments feature a large private garden, where a swimming pool can be added, as well as a semi-basement with the option to expand the living space according to the owner's needs. Upper floor apartments offer a spacious balcony with panoramic
