Property Description Nestled in the gentle slopes of the Mountain, this property in Benissa needs renovation. It features land of over 51,000 square meters and lacks connections to the electrical grid and water supply.
Layout and Spaces With a construction area of 234 square meters, the house includes three bedrooms and two bathrooms.
Natural Surroundings The property is located in an area surrounded by the lush nature that characterizes the region. The extensive land allows for various uses, from the possibility of cultivating gardens to creating a recreational area. Imagine the delight of organizing outdoor gatherings, surrounded by the sound of birds and the gentle rustle of the wind among the trees.
Unmatched Opportunity This property offers a unique chance to acquire a large plot of land in a beautiful location, perfect for those looking for a peaceful retreat or a future investment.
