Located in the attractive town of Ciudad Quesada, this exclusive residential complex consists of 28 modern bungalows designed for those seeking to combine comfort, design, and functionality in a privileged environment. Its excellent location allows for the tranquillity of the area without foregoing proximity to all the necessary services for daily life. Additionally, the international airport is just 38 kilometres away, facilitating both national and international travel.

Each home has been designed to maximise natural light and available space, creating welcoming and contemporary environments. Outside, the bungalows offer a private garden, spacious terraces, and a solarium, providing different spaces to relax, enjoy the Mediterranean climate, or share
