In the up-and-coming residential area, this exclusive development of new build villas comprises just six independent and semi-independent homes. This project is designed for those seeking contemporary design, tranquillity, and a Mediterranean lifestyle, in an area experiencing significant growth with excellent future prospects.

The location, between the golf club and the town, offers a relaxed atmosphere while remaining close to essential services such as supermarkets, restaurants, bars, and banks.

Advantages of a new building Residencial Arena

The villas are spread over two floors and offer the choice of two or three bedrooms and two
