Exclusive homes with extensive common areas, spa, pools, and much more by the Mediterranean. Discover a residential complex designed to enjoy comfort, well-being, and quality of life all year round. With 1-bedroom homes offering excellent qualities, spacious terraces, and direct access to unmatched common areas.

The 1-bedroom apartments feature a practical integrated kitchen concealed within a cabinet with doors or a shutter, providing the same amenities and appliances. All kitchens come with upper and lower cabinetry in oak wood or similar, a centrifugal extractor hood, and a national granite countertop.
