KEOPS PROPERTIES presents a residential complex of 172 homes distributed across 6 blocks of ground floor plus 3 storeys and two basements for parking spaces and storage rooms. Located in the emerging area of La Hoya in Torrevieja, this development stands out for its careful interior and exterior design. The properties, with 2 and 3 bedrooms and south-west orientation, are positioned so that all of them face the large communal areas, thus enjoying unobstructed views and great privacy. There are homes of different sizes, all with large gardens, spacious terraces or solariums to suit any type of client. The communal areas include landscaped areas, swimming pools, paddle courts, children's play. (Ask for More Details)
