Discover the contemporary elegance of the newly crafted residential building nestled in the vibrant heart of Las Carolinas in Alicante. This avant-garde construction offers compact living with all the luxury amenities of top-notch urban developments, all while being centrally located in the city.

The complex boasts a rooftop pool, a chill-out zone perfect for relaxation, a communal barbecue area, a fully-equipped gym, and a Finnish sauna. The apartments are thoughtfully designed with underfloor heating in the bathrooms, fully fitted bathrooms with shower screens, and built-in wardrobes clad with wood. Lighting is seamlessly integrated, and you'll find additional storage included in the price.
