This new residential project is located in a peaceful area belonging to the municipality of Torre Pacheco, in the Region of Murcia. An ideal environment for those seeking tranquillity, privacy, and year-round comfort.

The initial phase of the project consists of 6 detached villas, all constructed on a single level, designed to offer functionality, comfort, and a Mediterranean lifestyle.

Each home features a private pool, on-plot parking, and a solarium equipped with a summer kitchen, as well as terraced areas to enjoy the sun and outdoors all year round.

The interior design embraces an open plan concept, integrating a furnished kitchen with a bright
