Experience the vibrant lifestyle of Alicante, a city rich in light, culture, and tradition, while offering a wealth of industry, commerce, and education. Alicante stands as the second-largest city in the Valencian Community and the eleventh in Spain, celebrated for its rapid demographic growth driven by abundant services and opportunities.

Reflecting the success and positive reception of previous developments, we now introduce the next phase just 350 meters away. This new project offers the unique chance to own a modern home in the bustling neighborhood, designed with wide avenues shaded by leafy trees-perfect for creating a vibrant future. The development boasts premium features such as a porcelain stoneware floor
