This magnificent property in Gata de Gorgos presents an exceptional opportunity for those seeking to personalize their future home within a solid, already completed, and completely open-plan structure that allows for a layout tailored to individual needs. Situated on a generous plot of approximately 1,800 square meters, the house is located in a strategic area of the town, combining the tranquility of a spacious setting with the convenience of being just steps from the health center, the high school, and the town's main commercial amenities. The property also includes two external outbuildings used for storage, offering valuable additional space for complementary projects or general storage. Gata de Gorgos is renowned.
