405m²

1,000m²

N/A

Located within the exclusive residential community of Altea Hills, this contemporary villa combines open sea views, modern architecture and high-quality finishes in a peaceful and secure setting. Positioned on an elevated 1,000 m² plot within a gated urbanisation with 24-hour security, the property enjoys a quiet location with panoramic views across the Mediterranean coastline and surrounding mountains.

Designed across multiple levels with approximately 405 m² built area, the villa offers a balanced combination of spacious interior living, privacy and well-designed outdoor areas, making it suitable both as a permanent residence and as a high-end second home on the Costa Blanca.
