509m²

1m²

In the spectacular natural setting of Montgó Natural Park, a newly constructed villa redefines the concept of luxury, design, and comfort on the Costa Blanca. This exclusive project combines contemporary architecture, high-end materials, and the possibility to personalise every detail, creating a completely bespoke residence.

Advantages of a new building Villa Centauro I

Situated on a spacious 1,675 m² plot in the Montgó area, this property boasts a south-facing orientation, ensuring brightness throughout the day and offering panoramic views of the valley and mountain. Its location adjacent to Montgó Natural Park and near the golf club makes this villa an
