Welcome to your exclusive, tailor-made home designed to provide a privileged life among vineyards. This innovative residential project is located in Yecla, north of Murcia's heart. Here, the allure of traditional country estates merges with contemporary luxury in a modern single-family residence. This development offers the opportunity to construct independent, customized homes on expansive plots, allowing you to design the perfect home from scratch. The properties feature six bedrooms, providing ample space up to 420 m². Priced at 774,000 €, this reflects the exclusivity of the offering. The properties are set on beautiful plots with ancient olive trees and mature vineyards, immersing you in a rich natural environment. The A+ energy efficiency. (Ask for More Details)
