Discover a new residential oasis with breathtaking sea views. This esteemed project by a renowned developer introduces a collection of 108 apartments, offering configurations of 2 to 3 bedrooms, along with a private penthouse, sprawling majestically across a stunning 24-story tower. Each home features expansive terraces where partial views of the sea and Benidorm skyline captivate, located just about a kilometer from the famed beach.

Embodying contemporary elegance and sophisticated design, these residences are constructed with premium materials to ensure comfort and functionality throughout. Expansive windows invite floods of natural light, making each room a bright haven from the lower to the upper levels, where
