Discover an exclusive collection of homes where each day begins with the sunlight, ocean breeze, and tranquility of a privileged setting. This project presents 164 modern apartments with two bedrooms, each designed to maximize comfort and harmony with nature, providing an unparalleled Mediterranean lifestyle.

Every space has been crafted to offer spaciousness, brightness, and functionality. The residences stand out for their design inspired by the movement of the sea, featuring expansive terraces where you can enjoy unforgettable outdoor moments. From penthouses with panoramic views to private gardens, every corner is designed to provide the well-being you deserve.
