Real estate in Sierra Verde - Custom-tailored nature, design, and comfort

Imagine waking up every day embraced by trees, with birdsong as the only background sound. Positioned in the greenest and most serene area of Finestrat, this unique project offers just five modern, private two-story residences, where light, privacy, and comfort take center stage.

These sophisticated homes feature their own gardens, private swimming pools, and high-quality finishes, designed for those who appreciate detail and the Mediterranean lifestyle. Currently under construction and with permits granted, now is the perfect time to secure your new home in a prime location.
