This modern residential complex of new construction is a new development located in Alicante, Torrevieja. It offers captivating views of the pink salt lake and comprises a total of 104 bungalows, available in options of 2 to 3 bedrooms. The upper-level bungalows feature a charming private solarium, ideal for enjoying the beautiful landscape of the salt lagoon, while the lower-level ones offer spacious terraces that open onto lush gardens.

Residents can enjoy exquisitely landscaped common areas and two large swimming pools. They also offer the option to acquire private parking spaces and storage rooms, providing greater convenience. The design of the apartments is modern and executed with the highest quality.
