This private residential complex is located in the vicinity of Serena Golf, in Los Alcázares, an established area that combines tranquillity, open landscape, and proximity to all services.
The project consists of 66 two and three-bedroom flats, distributed across three-storey blocks with lifts, designed to offer spaciousness, functionality, and a natural connection with the exterior areas and communal spaces of the residential site.
The complex is organised around a large central green area that integrates a large sheet-type swimming pool of approximately 200 m², designed for different uses and times of the day. This space includes:
