Live by the Sea in a Unique Setting
Discover the opportunity to start afresh in a privileged bay with turquoise waters and a sandy beach inviting you to bask in the sun all year round. A place where tranquillity and comfort come together to offer an unparalleled lifestyle, surrounded by nature with all amenities at your fingertips.
Each home has been designed to maximise natural light and sea views, incorporating a ducted climate control system with both heating and cooling, alongside the production of hot water through aerothermal technology, ensuring efficiency and comfort at any time of the year.
The development includes a private garage with automated access, polished concrete flooring, fire
