Live by the sea in a unique setting
Discover the opportunity to move into your new home in a privileged bay, with turquoise waters and a fine sand beach inviting you to enjoy the sun all year round. A place where tranquillity and comfort come together to offer you an unparalleled lifestyle, surrounded by nature and with all services at your fingertips.
Each home has been designed to make the most of natural light and sea views, incorporating ducted air conditioning with a heat and cool pump, as well as hot water production through aerothermal energy, ensuring efficiency and comfort at any time of the year.
