This is an attractive proposal for a new build detached house, designed for those who value spaciousness, privacy and connection with outdoor spaces in a modern and functional environment.
The house is distributed over three floors on an individual plot starting from 370 m², offering an approximate usable area of 180 m² that is carefully utilised. Its contemporary design prioritises natural light entry, with a large main living room that stands out for its large windows and direct connection to the outside.
One of the main attractions of this property is its private outdoor space, which includes a garden and swimming pool, creating an ideal setting to enjoy the Mediterranean climate, relax (Ask for More
