In the heart of the Vega Baja, nestled in a tranquil, well-connected environment, emerges an exclusive set of detached homes embodying the essence of the Mediterranean lifestyle. Located in the charming city, these residences with contemporary architecture combine elegance, comfort, and functionality, offering an ideal place to live year-round or enjoy as a second home.

Each home is situated on private plots of up to 205 m², with generous outdoor spaces designed to maximize every day. Private gardens, covered and uncovered terraces harmoniously integrate with the environment, inviting you to enjoy outdoor life through all four seasons. The major highlight outside is the spacious private swimming pool, perfect for cooling off... (Ask for More Details!)
