We present an attractive residential option in San Blas-Pau, Alicante. Situated in an area with excellent connectivity, this set offers homes with 2 to 3 bedrooms, ideal for families and investors alike.

The complex offers a community swimming pool, extensive landscaped areas, a children's play zone, parking spaces, and storage rooms. Its modern design ensures a high quality of life in a serene environment with clear views of the city and surrounding nature.

The development is located in a well-established neighborhood with all essential services at hand: Several educational centers nearby
