Discover a new development designed for those seeking quality, comfort, and a prime location. This modern residential project offers only 11 exclusive homes, available with 2 and 3 bedrooms and surfaces ranging from 84 m² to 120 m², ideal both for permanent residence and investment.

You can choose between ground floors with spacious private terraces, bright apartments or penthouses with unobstructed views and spectacular solariums. Each home has been meticulously designed with high-quality finishes, functional layout, and large spaces that maximise natural light.

The development is currently under construction, with completion expected in April 2026, and follows a freehold scheme. Its location combines tranquillity and convenience: just 1,000 metres
