250m²

900m²

Stylish contemporary villa project with sea and mountain views in one of the Marina Alta's most desirable residential locations - Beniarbeig.

Set on a plot of approximately 900m², this elegant modern home has been thoughtfully designed to combine clean architectural lines, generous natural light and comfortable Mediterranean living. The project offers approximately 205m² of living accommodation, with a total constructed area of around 250m² including garage and covered terraces.

The layout is designed for modern family life and effortless indoor-outdoor living, featuring spacious open plan living and dining areas, a contemporary kitchen, large windows opening onto the terrace
