364m²

2,081m²

Villa with amazing sea, mountain and Jávea views This villa has beautiful open views of the sea, the Montgó mountain, Jávea town and the green area around it. From the living areas and terraces, you can enjoy panoramic views in almost every direction. The house is spacious and bright, with large windows, traditional Mediterranean style and good indoor and outdoor space. It also has solar panels, a garage and a good location, offering privacy while still being close to Jávea. Outside, the property has a really beautiful Mediterranean garden, with nice plants, greenery and a peaceful atmosphere. A very special feature is that the property includes an extra urban plot...(Ask for More Details)
